Mr. Kindler:

Have a letter some time ago  
from Mr. John Newson. He gave  
me your address & said you have  
an interest in Cinderella material  
as I had amongst other things,  
some WWI French Patriotic and  
Propaganda labels. I am getting  
rid of a lot of my collections as  
I need more time & resources for  
my U.S. match & medicine research.

Kindly advise of any interest  
you may have in this type of  
material at your convenience

Cordially
