Dear Jan:

Take this cover, showing international postage due rating in gold centimes and arrival-county rating in its own currency, with my compliments. I just found it amid some covers I have long had, and am sure it will be of more interest and use to you than it ever has been or will be to me.

Sincerely

A handwritten signature in dark ink, appearing to read "SGR". The signature is written in a cursive, somewhat stylized hand. The letters are connected, with the "S" and "G" being particularly prominent. The "R" has a long, sweeping tail that extends to the right. The signature is positioned to the right of the word "Sincerely".
